Wind Dancer

Wind Dancer is ideal for all types of outdoor events and promotions. Lightweight and easy to construct, this product offers complete stability with its water or sand filled base, enabling it to withstand winds up to a Beaufort scale 4. Available in a choice of 4m and 5m heights.

A Sign Board

Suitable for A1 sized poster, the A Sign Board is a great addition to any event for sign-posting and promotion. Lightweight and great value for money, the robust structure uses a spring loaded Trappa Frame mechanism which allows you to change your graphic message in an instant.

Summer
SALE
Now On

A rectangular sign board with a silver metal frame. The sign is red with white text. It says "Summer" in a white sans-serif font, "SALE" in a large, bold, white sans-serif font, and "Now On" in a white sans-serif font. The sign is mounted on a black plastic base with two adjustable legs. The background is a blue sky and green grass.

Whirlwind

Suitable for more heavy duty use, the Whirlwind is perfect for A1 sized pavement advertising and retail promotion. The double-sided snap frame sign allows you to change your graphic very easily. The wheeled hollow base can be filled with sand or water for added stability. The spring pivot gives the display a swing motion and adds eye-catching movement to your message.

Post Flags

With versatile fixings for both poles and wall the Mistral Flag range is ideal for both indoor and outdoor use. Fixing to lampposts and shopping mall displays are the most common application of this popular graphic carrier. All the products in the Mistral range have been tested to withstand winds to a Beaufort scale 7 using a flag knit fabric.

Mistral

Mistral can be attached using adjustable brackets to suit different graphic heights.

Rotating Mistral Flag

Using an adjustable height extended arm, the graphic is free to rotate in the wind.

Double Sided Mistral

Utilising both sides of your fixture, the Double Mistral has twin graphics and adjustable bracket heights for a range of graphic sizes.

Monsoon

As a large format landscape display, Monsoon is the ideal lightweight 'A' frame banner, available in 3 landscape formats. With push fit aluminium fixings and looped elastic graphic fitting, assembly is made quick and easy.

Horizon

As the largest graphic display in the range, Horizon is the perfect solution for big scale promotions, each size has a graphic areas up to 4.8cm². Single or double sided, you can achieve maximum impact for your message, with individual units linking together to form a wall of display. Complete with water or sand weighted base, Horizon can withstand winds to Beaufort scale 3.
