

# Web hosting - price list

Reliable hosting, real support from matm

## Why host with us?

For your website to work properly, it must be hosted on the internet in the right way. Here at matm, we pride ourselves on providing the very best hosting service available at highly competitive prices.

We combine our usual friendly service with a high degree of technical know-how to ensure your website is always safe, secure and working for you.

## matm hosting - our packages

	Basic	£15 per month
	Bronze	£25 per month
	Silver	£30 per month
	Gold	£40 per month
	Platinum	£50 per month

All prices quoted are exclusive of VAT

## Features

- Advanced email protection thanks to powerful spam detection
- Fully compliant with latest industry standards, including data security
- Multi-level data backups - we take weekly database backups, servers are mirrored to back-up drives and server snapshots are saved to a high-capacity Network-Attached Storage device
- Multiple webmail clients to access your mail on the go
- The latest stable versions of PHP coding language and MySQL, the most popular database system in the world
- Highly reliable network maximising uptime and service speed

The package you require will depend on a number of factors, including the functionality of your web service and how many visitors you attract. We can advise you on the package that's right for you, so you only pay for what you need.
